

## Young Performers Project (\$100)

The Ottawa Valley Music Festival (OVMF) offers a “Young Performers Program” through the generous financial support of the Eganville Rotary Club. Through this program, deserving young performers are selected and invited to perform at the beginning of each OVMF concert.

**Selection Process** Young artists are most often “referred” to the Scholarship Committee through achievement at one of the valley music festivals. Referrals may also be received simply by word of mouth. Wherever possible, the Chair of the Scholarship Committee will attend the performance of the young artist at a music festival. Young artists may request an audition if they have not been previously heard by either of the above.
